City Manager Billy Holson
City of Albany
PO Box 3248
Albany, TX 76430

Dear City Manager Holson,

The Shackelford County Appraisal District & Central Tax Office (the District) is certifying to your taxing unit the following collection rates and estimates as of June 30, 2023, in accordance with the *Texas Property Tax Code Sec. 26.012 & 26.04(b) (h) (h-1) (h-2)*.

Certified Collection Rates:

Prior Year Collections	Current Collections	Aggregate Collection
2020 tax levy	94.92 %	95.57 %
2021 tax levy	95.02	95.74
2022 tax levy	94.89	100.58
Estimated Collection Rate		
2023 tax levy	94.92 %	95.57 %

Debt Tax Collections:

Debt service requirement 2022	\$	231,550
Current debt collections other		228,051
Current debt tax collections		-
Net collections (over)/under		<u>3,499</u>

Certified Collection Rate		<u>95.47 %</u>
Certified (over)/under Collection	\$	<u>3,499</u>

These collection rates and certifications are computed in accordance with the tax code and does not reflect various economic or systemic factors that may arise in the future. The District does not have any information available that would deviate from the above guidance.

If you have any questions, please contact Clayton Snyder.

Certified this 17th day of August 2023

Clayton Snyder, RPA, RTA
Assessor/Collector

SHACKELFORD COUNTY APPRAISAL DISTRICT

PO BOX 2247, 132 Hill Street, Albany, Texas 76430

August 17, 2023

City Manager Billy Holson
City of Albany
PO Box 3248
Albany, TX 76430

Dear City Manager Holson,

The Shackelford County Appraisal District (the District) has computed the *no-new-revenue (NNR)*, *no-new-revenue M&O (NNR M&O)*, *debt* (if applicable), *voter-approval*, and the *de minimis* (if applicable) tax rates for your taxing unit as shown below:

2022 Previously Adopted Tax Rate/\$100	\$0.6104
2023 No-New-Revenue Tax Rate/\$100	\$0.5639
2023 No-New-Revenue M&O Tax Rate/\$100	\$0.5648
2023 Voter-Approval M&O Tax Rate/\$100	\$0.5845
2023 Unused Tax Increment Rate/\$100	\$0.0000
2023 Debt Tax Rate/\$100	\$0.0000
2023 Total Possible Voter-Approval Tax Rate/\$100	\$0.5845
2022 De Minimis Tax Rate/\$100	\$1.1304

Proposing a tax rate that does not exceed the NNR rate does not require a public hearing prior to adoption unless it exceeds the M&O NNR rate. Proposing a tax rate that exceeds the NNR (and M&O NNR) but does not exceed the voter-approval rate, requires a public hearing prior to adoption. Proposing a tax rate that exceeds the voter-approval rate may automatically trigger an election to ratify the tax rate unless the taxing unit is subject to the *de minimis tax rate* provisions. Please consult the *Texas Property Tax Code Sec. 26.04 thru 26.07* for guidance on tax rate procedure requirements.

The District will produce and deliver to you and the newspaper, a public notice concerning all tax rate information required by the *Texas Property Tax Code Sec. 26.04(e)*. Attached you will find the worksheets used to determine the above tax rates and tax levy estimates. If you have any questions give me a call.

Sincerely,

Clayton Snyder, RPA RTA
Tax Assessor Collector

Taxing Unit's Website Address

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue (NNR) tax rate and voter-approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submits the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

School districts do not use this form, but instead use Comptroller Form 50-859 *Tax Rate Calculation Worksheet, School District without Chapter 313 Agreements* or Comptroller Form 50-884 *Tax Rate Calculation Worksheet, School District with Chapter 313 Agreements*.

Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 *Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts* or Comptroller Form 50-860 *Developed Water District Voter-Approval Tax Rate Worksheet*.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: No-New-Revenue Tax Rate

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

Line	No-New-Revenue Tax Rate Worksheet	Amount/Rate
1.	2022 total taxable value. Enter the amount of 2022 taxable value on the 2022 tax roll today. Include any adjustments since last year's certification; exclude Tax Code Section 25.25(d) one-fourth and one-third over-appraisal corrections from these adjustments. Exclude any property value subject to an appeal under Chapter 42 as of July 25 (will add undisputed value in Line 6). This total includes the taxable value of homesteads with tax ceilings (will deduct in Line 2) and the captured value for tax increment financing (adjustment is made by deducting TIF taxes, as reflected in Line 17). ¹	\$ <u>101,516,804</u>
2.	2022 tax ceilings. Counties, cities and junior college districts. Enter 2022 total taxable value of homesteads with tax ceilings. These include the homesteads of homeowners age 65 or older or disabled. Other taxing units enter 0. If your taxing unit adopted the tax ceiling provision in 2022 or a prior year for homeowners age 65 or older or disabled, use this step. ²	\$ <u>21,782,858</u>
3.	Preliminary 2022 adjusted taxable value. Subtract Line 2 from Line 1.	\$ <u>79,733,946</u>
4.	2022 total adopted tax rate.	\$ <u>0.6104</u> /\$100
5.	2022 Taxable Value lost because court appeals of ARB decisions reduced 2022 appraised Value.	
	A. Original 2022 ARB values:..... \$ <u>0</u>	
	B. 2022 values resulting from final court decisions:..... - \$ <u>0</u>	
	C. 2022 value loss. Subtract B from A. ³	\$ <u>0</u>
6.	2022 taxable value subject to an appeal under Chapter 42, as of July 25.	
	A. 2022 ARB certified value:..... \$ <u>0</u>	
	B. 2022 disputed value:..... - \$ <u>0</u>	
	C. 2022 undisputed value. Subtract B from A. ⁴	\$ <u>0</u>

19.	Total value of properties under protest or not included on certified appraisal roll. ¹³	
	A. 2023 taxable value of properties under protest. The chief appraiser certifies a list of properties still under ARB protest. The list shows the appraisal district's value and the taxpayer's claimed value, if any, or an estimate of the value if the taxpayer wins. For each of the properties under protest, use the lowest of these values. Enter the total value under protest. ¹⁴	\$ <u>331,904</u>
	B. 2023 value of properties not under protest or included on certified appraisal roll. The chief appraiser gives taxing units a list of those taxable properties that the chief appraiser knows about but are not included in the appraisal roll certification. These properties also are not on the list of properties that are still under protest. On this list of properties, the chief appraiser includes the market value, appraised value and exemptions for the preceding year and a reasonable estimate of the market value, appraised value and exemptions for the current year. Use the lower market, appraised or taxable value (as appropriate). Enter the total value of property not on the certified roll. ¹⁵	+ \$ <u>0</u>
	C. Total value under protest or not certified. Add A and B.	\$ <u>331,904</u>
20.	2023 tax ceilings. Counties, cities and junior colleges enter 2023 total taxable value of homesteads with tax ceilings. These include the homesteads of homeowners age 65 or older or disabled. Other taxing units enter 0. If your taxing unit adopted the tax ceiling provision in 2022 or a prior year for homeowners age 65 or older or disabled, use this step. ¹⁶	\$ <u>24,358,805</u>
21.	2023 total taxable value. Add Lines 18E and 19C. Subtract Line 20. ¹⁷	\$ <u>88,400,528</u>
22.	Total 2023 taxable value of properties in territory annexed after Jan. 1, 2022. Include both real and personal property. Enter the 2023 value of property in territory annexed. ¹⁸	\$ <u>0</u>
23.	Total 2023 taxable value of new improvements and new personal property located in new improvements. New means the item was not on the appraisal roll in 2022. An improvement is a building, structure, fixture or fence erected on or affixed to land. New additions to existing improvements may be included if the appraised value can be determined. New personal property in a new improvement must have been brought into the taxing unit after Jan. 1, 2022 and be located in a new improvement. New improvements do include property on which a tax abatement agreement has expired for 2023. ¹⁹	\$ <u>1,943,419</u>
24.	Total adjustments to the 2023 taxable value. Add Lines 22 and 23.	\$ <u>1,943,419</u>
25.	Adjusted 2023 taxable value. Subtract Line 24 from Line 21.	\$ <u>86,457,109</u>
26.	2023 NNR tax rate. Divide Line 17 by Line 25 and multiply by \$100. ²⁰	\$ <u>0.5639</u> /\$100
27.	COUNTIES ONLY. Add together the NNR tax rates for each type of tax the county levies. The total is the 2023 county NNR tax rate. ²¹	\$ <u>0.0000</u> /\$100

SECTION 2: Voter-Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. The voter-approval tax rate is split into two separate rates:

- Maintenance and Operations (M&O) Tax Rate:** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations.
- Debt Rate:** The debt rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The voter-approval tax rate for a county is the sum of the voter-approval tax rates calculated for each type of tax the county levies. In most cases the voter-approval tax rate exceeds the no-new-revenue tax rate, but occasionally decreases in a taxing unit's debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

Line	Voter-Approval Tax Rate Worksheet	Amount/Rate
28.	2022 M&O tax rate. Enter the 2022 M&O tax rate.	\$ <u>0.6104</u> /\$100

SECTION 3: NNR Tax Rate and Voter-Approval Tax Rate Adjustments for Additional Sales Tax to Reduce Property Taxes Not Applicable

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. If approved, the taxing unit must reduce its NNR and voter-approval tax rates to offset the expected sales tax revenue. This section should only be completed by a county, city or hospital district that is required to adjust its NNR tax rate and/or voter-approval tax rate because it adopted the additional sales tax.

Line	Additional Sales and Use Tax Worksheet	Amount/Rate
51.	Taxable Sales. For taxing units that adopted the sales tax in November 2022 or May 2023, enter the Comptroller's estimate of taxable sales for the previous four quarters. ³² Estimates of taxable sales may be obtained through the Comptroller's Allocation Historical Summary webpage. Taxing units that adopted the sales tax before November 2022, enter 0.	\$ _____
52.	Estimated sales tax revenue. Counties exclude any amount that is or will be spent for economic development grants from the amount of estimated sales tax revenue. ³³ Taxing units that adopted the sales tax in November 2022 or in May 2023. Multiply the amount on Line 51 by the sales tax rate (.01, .005 or .0025, as applicable) and multiply the result by .95. ³⁴ - or - Taxing units that adopted the sales tax before November 2022. Enter the sales tax revenue for the previous four quarters. Do not multiply by .95.	\$ _____
53.	2023 total taxable value. Enter the amount from Line 21 of the <i>No-New-Revenue Tax Rate Worksheet</i> .	\$ _____

58.	2023 voter-approval tax rate, adjusted for sales tax. Subtract Line 54 from Line 57.	\$ _____ /\$100

SECTION 4: Voter-Approval Tax Rate Adjustment for Pollution Control Not Applicable

A taxing unit may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The taxing unit's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The taxing unit must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control. This section should only be completed by a taxing unit that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

Line	Voter-Approval Rate Adjustment for Pollution Control Requirements Worksheet	Amount/Rate
59.	Certified expenses from the Texas Commission on Environmental Quality (TCEQ). Enter the amount certified in the determination letter from TCEQ. ³⁷ The taxing unit shall provide its tax assessor-collector with a copy of the letter. ³⁸	\$ _____

³⁷ Tex. Tax Code § 26.045(d)
³⁸ Tex. Tax Code § 26.045(i)

SECTION 5: Voter-Approval Tax Rate Adjustment for Unused Increment Rate

The unused increment rate is the rate equal to the difference between the adopted tax rate and voter-approval tax rate adjusted to remove the unused increment rate for the prior three years. ³⁹ In a year where a taxing unit adopts a rate by applying any portion of the unused increment rate, the portion of the unused increment rate must be backed out of the calculation for that year.

The difference between the adopted tax rate and adjusted voter-approval tax rate is considered zero in the following scenarios:

- a tax year before 2020; ⁴⁰
- a tax year in which the municipality is a defunding municipality, as defined by Tax Code Section 26.0501(a); ⁴¹ or
- after Jan. 1, 2022, a tax year in which the comptroller determines that the county implemented a budget reduction or reallocation described by Local Government Code Section 120.002(a) without the required voter approval. ⁴²

Individual components can be negative, but the overall rate would be the greater of zero or the calculated rate.

This section should only be completed by a taxing unit that does not meet the definition of a special taxing unit. ⁴³

72.	De minimis rate. Add Lines 68, 70 and 71.	\$ <u>1.1304</u> /\$100

SECTION 7: Voter-Approval Tax Rate Adjustment for Emergency Revenue Rate

Not Applicable

In the tax year after the end of the disaster calculation time period detailed in Tax Code Section 26.042(a), a taxing unit that calculated its voter-approval tax rate in the manner provided for a special taxing unit due to a disaster must calculate its emergency revenue rate and reduce its voter-approval tax rate for that year.⁴⁶

Similarly, if a taxing unit adopted a tax rate that exceeded its voter-approval tax rate, calculated normally, without holding an election to respond to a disaster, as allowed by Tax Code Section 26.042(d), in the prior year, it must also reduce its voter-approval tax rate for the current tax year.⁴⁷

This section will apply to a taxing unit other than a special taxing unit that:

- directed the designated officer or employee to calculate the voter-approval tax rate of the taxing unit in the manner provided for a special taxing unit in the prior year; and
- the current year is the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred or the disaster occurred four years ago. This section will apply to a taxing unit in a disaster area that adopted a tax rate greater than its voter-approval tax rate without holding an election in the prior year.

Note: This section does not apply if a taxing unit is continuing to calculate its voter-approval tax rate in the manner provided for a special taxing unit because it is still within the disaster calculation time period detailed in Tax Code Section 26.042(a) because it has not met the conditions in Tax Code Section 26.042(a)(1) or (2).
